Access The IOU Digital Library

Any user with Internet access can browse, search the IOU Digital Library and view eBooks abstracts without logging in.

But once you are a registered user, you will have full access to the content, including the ability to view and download eBook chapters.

1 To get started, Go to:
<https://libraries.iou.edu.gm> Or type “**IOU Library**” into Google.

2 Type your keyword (book title, subject, or author) in the search bar, then click the “Go” button to start your search.

3 You will be then directed to the IOU Digital Library page.

Create an account in the IOU DL

To gain full access to the IOU Digital Library, you need to create an account by following these steps :

4 Click the “**Sign In**” tab located at the top right of the IOU Digital Library homepage. You will then have the option to log in or register if you don't already have an account.

5 To create an account, click on “**Want to Register**”, or simply use the following link : <https://elibrary.iou.edu.gm/elibrary/patron/signup.aspx>

Please Enter Your Information

[← Forgot password](#)[Want to register →](#)

6 Complete the sign-up form by entering your Name, Student ID, Email, and Password.

7 Finally, click "Register".

If you register with an **iou.edu.gm** email domain, your account will be instantly created, and you will receive a confirmation email containing your username and password.

If you register with **a non iou.edu.gm** email domain (such as Gmail), your account request will undergo verification by the Library team. Upon confirmation of your IOU student status, the account request will be approved

IOU Digital Library features

1 Searching the IOU Digital Library

2 Viewing full text: After locating the digital resource, click on the “Read on line” link.

3 Issued & Reserved Books: View and manage books currently issued or reserved

4 My Favorites: Save resources to My Favorites for quick and easy access later.

5 Search History: Review your previous searches

6 Fresh Arrivals: Browse newly added resources

The screenshot displays the IOU Digital Library website. At the top, the header reads "IOU Digital Library" with the tagline "Discover. Access. Learn." Below this is a search bar with a "Title" dropdown, a "Search eBooks" input field, and a "Search" button. A "1" in a red box is placed next to the search bar. Below the search bar is an "Advanced Search" link. A status bar indicates "Page 1 | Results on this page: 10 | Digital Books: 35 | Physical Books: 0".

The main content area shows a search result for the book "Integrated Research Methodologies in Islāmic Psychology" by G. Hussein Rassool, published in 2024. The book cover is visible on the left. On the right, there are buttons for "Read Online", "Save", and "Share". A "2" in a red box is placed next to the "Read Online" button. Below the book details, there is a "My ACCOUNT" sidebar with links for "Account Details", "Issued Books", "Reserved Books", "My Favorites", and "Search History". A "3" in a red box is placed next to the "My Favorites" link. The "REFINE YOUR SEARCH" section is also visible.

Below the search results, there is a "Fresh Arrivals" section with a "6" in a red box. It features a carousel of book covers, including "A Cape of Asia" and "A Practical Guide to Market Research". A "5" in a red box is placed next to the "Search History" link in the sidebar.

At the bottom right, there is a "4" in a red box next to the "Save" button for the book "Integrated Research Methodologies in Islāmic Psychology".
